"One Share of Preferred Stock"

The Shamrock Drum & Bugle Corps

A NON-PROFIT, NON-DISCRIMINATING ORGANIZATION

Gratefully acknowledges the support of Kelly Miller

as a shareholder and honorary member of this organization for the year of life

The bearer of this share of stock is entitled to the following rights:

1. To special dispensation at all parades by the Judge stand, providing you get there early enough to find your own spot.
2. To second guess all field judges in "Music-In-Motion" presentations. (This allows you to brag about your keen judgment of music, marching, and maneuvering techniques).
3. To show favoritism towards the Corps by loud acclamation such as: feet stamping, whistling, and hand clapping. (Whenever General Effects are slumping, this type of enthusiasm is highly endorsed).
4. To honorary fellowship in the "Spirit of Competition" Club, in which THE SHAMROCKS are charter members. (A fellow is defined as one who takes pride in sportsmanlike EFFORT—on—or—off of the field of competition).

Your contribution to THE SHAMROCK DRUM AND BUGLE CORPS benefits its participants by: (1) helping to assure the continued success of its organization and (2) creating widespread interest in this type of stimulating music and (3) providing the opportunity for youngsters to obtain, without incurring costs, musical instructions in the instrument of their choice, uniforms, and finally, (4) giving them the continued right to belong, until they are of adult age, to an organization that CARES!

THE PHILOSOPHY OF THE SHAMROCK DRUM & BUGLE CORPS

It is the declared policy of the Shamrock Drum & Bugle Corps to maintain itself as a non-profit sharing organization with volunteer support programs initiated by or through: (1) parent-committee groups, (2) cooperative community enterprises and, (3) local "civic-conscious" groups of recognized repute.

The intent and purpose of the Corps is to foster a comprehensive and varied program, unique in conception and dedicated to reflect the highest civic state, and national image.

The Shamrock Drum & Bugle Corps is controlled by an Executive Board and Corps Manager functioning under "Roberts Rules of Order" and holding monthly meetings regulated by agreed upon Articles and By-Laws, stipulated within the framework of its Constitution.

The Shamrock Drum and Bugle Corps has been established as a city-wide enterprise, therefor it is essential that we solicit city-wide approval, support, and cooperation.
