

Shamrock's Jr. Drum & Bugle Corps

PRESENTS

Music in Motion

JULY 29, 1972

The Shamrock Jr. Drum & Bugle Corps gratefully dedicates the 12th Annual Music in Motion Show to the Co-founder of the Corps Al Wittman.

Bill McCloud, Chairman.

The Northwest Drum and Bugle Corps Association is pleased to participate in the dedication of this 12th Annual "Music in Motion" Contest to Mr. Al Wittman.

Through Al's dedication and self sacrifice, the entire drum corps scene in Washington and Oregon was altered in a positive manner. His corps, the Seattle Shamrocks, developed a heretofore unheard of degree of professionalism sufficient to amass a competition record in 1967 and 1968 still unapproached by our present corps - two undefeated years in Northwest Contests.

Al recognized the inherent benefits of possessing a strong instructional staff, and from the Shamrocks camp have come some of the top instructional personnel in the area, extending even to National Levels.

Through Al Wittman's leadership, Junior Drum and Bugle Corps have grown from infancy to a mature pose and we all --- corps member, parent, Association Officer, or viewer, owe a vote of appreciation to Mr. Wittman for his contributions to the Shamrocks and the Northwest Drum Corps scene.

The Seattle Shamrock Jr. Drum & Bugle Corps

The Shamrock Jr. Drum & Bugle Corps of Seattle, Wash. was organized in 1959 under the name of CYO Squires by Al Wittman and John Brodrick. In 1960 they hosted the first Music in Motion. In 1961 after changing their name to Shamrocks they added an all girl color guard and started their climb to success.

They were undefeated in the northwest for several years and have traveled to the east to compete on a national level.

This year travels included the mini-tour through eastern Washington and Oregon up to Canada.

The Seattle Shamrocks are sponsored by the V.F.W. Post #2289, American Legion Post #160, and the Independent Order of Foresters.

The Black Watch Highlanders

The key word to describe the Black Watch is youth. A corps consisting of 61 members with an average age of 14, an instructor staff in its 20's and a progressive management in its early 30's. Pride dedication work and sacrifice, combined with a little talent and a lot of guts, in the years to come, the basic formula for an extremely entertaining and competitive corps.

The corps uniform is designed with the Scottish flavor in mind most of the basic parts have been imported from Scotland, with other home-made by corps parents.

Thus far, the corps has accumulated a full set of Rodgers Drums all new Olds Mellophones and French Horns, a full set of Uniforms, all new guard equipment, silks, and rifles, an equipment truck and the corps bus, the James B.

The Black Watch was officially organized on Sept 29 by Dan Anderson, Keith Purvis, Lee Engle, and Lewis Hitchcock, as an organization open to all young men and women from South King County, with an original membership turn out of 8 the corps has grown to its competitive complement of 61, with a large and growing waiting list to join the corps in September.

Tri-City Columbians

The "Columbians" were organized in the 1930's and were known as the American Legion Drum and Bugle Corps. It was disbanded during WWII and revived in 1955, when it was expanded to include Kennewick and Richland.

From then until now the Corps participated in State, Northwest, and National competitions.

The Corps did not compete in 1969 or 1970, and was reorganized in July of 1970. The new "Columbians" finished the 1971 season as the top "B" Division Corps in the Northwest Drum Corps Association.

Financial support has come from community donations, candy sales, Christmas wreath sales and other projects by a very active parents club.

The Corps is under the direction of Mr. Vic Mahan, Director, and Mr. Bob Welsh, Business Manager. Other staff members are Mr. Bill Welsh, Music Arranger, and Director; Dave Roberts, Drum Arranger and Instructor; Steve and Barb Haney, Color Guard Instructors; Clare Russell, Quartermaster; Ed Hacker, Parents Club President.

Drifters Drum & Bugle Corps

The Drifters Drum Corps was started in January 1970 with membership consisting of boys and girls from the Lower Mainland of British Columbia. Last year The Drifters became the N.W.D.C.A. "C" Class Champions in their first year of competition.

Flamingos

As hosts of the annual "OptiRama" Northwest Drum Corps competition in Salem, the Flamingos began this year, their tenth, working hard to attain the position as top Corps in the West. Most of their repertoire will benew this year and along with amny new faces, the Flamingos hope to put a new look as well as sound to their performance.

The Corps will be very busy this year competing in nearly all Northwest area competitions plus an inland tour into Wyoming and Alberta, Canada, both being new to the Corps, With great Northwest pride, the fabulous Flamingos will give their best to create an entertaining as well as a winning effort in their performance.

Besides a proud Parents Booster Club, the Flamingos are sponsored by the Salem Elks Lodge, The Breakfast Optimist Club of Salem, American Legion Post #136 and as new musical ambassadors for "Oregon Big One", the Oregon State Fair.

Hawks Jr. Drum & Bugle Corps

First formed in 1959, the Hawks are the oldest drum corps in the Portland area. They have been State of Oregon champions, were finalists in the 1970 American Legion Nationals, and are the 1971 champions of the Northwest Drum Corps Association.

Their travels this year have included California, Montana, Oregon, Washington, and Canada. Members come from as far as Longview, Washington and Pendleton, Oregon to participate with the Hawks.

Drill

"Victory Parade March" begins the Hawks' performance today.

A symbolic "Tribute to John F. Kennedy", Recently arranged by Keith Markey, provides a unique color presentation. A medley of old Irish tunes recalls JFK's childhood; "Hail to the Chief", his Presidency. "The Yellow Rose of Texas" reminds us of the fateful trip to Dallas, where the tragedy -- the shock of the nation -- is dramatized by a violent discord in the music, and chaos in the drill. The nation recovered, and so does the corps, asking, "Has anybody seen my old friend, John?" in "Abraham, Martin and John." A cortege of the honor guard and rifles presents the Flag at the end of a Funeral dirge.

A drum cadence then introduces the concert tune, "Chove Chuva," or "Constant Rain," from Warren Hines' "Brass Impact Album."

A swinging arrangement of "Don't Rain on My Parade" follows concert, and the exit is "Nightfall in Camp," originally an encampment song for the famous Scottish regiment, the Black Watch.

Percussion—Naut Patriots Drum & Bugle Corps

It was just a year ago that the Patriots entered their very first field competition. In their first season of competition the Patriots scored successive victories in the "C" and "B" divisions, then topped their efforts in the "A" division with first place in the "Challenge of Champions" finale at Port Angeles. They have continued their winning ways by taking first place at the Flamingo's Optirama in January and the Hawks—sertoma show in February.

Plans this year include not only an active competition schedule in the Northwest but also a series of major competitions in the midwest including the first Drum Corps International Championship Show as well as the V.F.W. and American Legion National Championships shows.

In addition to their role as competitors they will be serving as musical ambassadors for "Expo '74" the Worlds Fair to the Worlds Fair to be held in Spokane.

The N.W.D.C.A. Championship show will be hosted this year by the Patriots on Sept. 2, in Spokane, Washington. Hope to see you all there.

Sentinels Drum & Bugle Corps

The Sentinels Drum and Bugle Corps was formed in 1966 by Duane C. Andrews and has grown to be on the most colorful drum and bugle corps in the Pacific Northwest. In addition to playing members the corps includes an all-girl color guard and rifle squad. Their distinctive Spanish-style uniforms are unique in the Northwest.

The Sentinels are noted for their outstanding showmanship and musical repertoire. Parade honors include first place awards in such major parades as the Wenatchee Apple Blossom, Daffodil, Seattle Seafair, Portland Rose Festival and Calgary Stampede Parades.

The Sentinels are one of the most traveling Drum and Bugle Corps in the Northwest. Their travels have taken them to California, twice, for performances at Disneyland and Cal-Expo; to the East coast for participation in the World Open and V.F.W. Nationals Drum and Bugle Corps Competition and last year a tour of the midwest for several competitions. Also last year the Sentinels performed at the famous Calgary Stampede winning top honors.

In 1972 the Sentinels will build their summer tour around a trip to Edmonton, Alberta with several competitions and parades in between.

The Sentinels are sponsored by Bellevue Kiwanis, Veterans of Foreign Wars Post 2995, Cascade American Legion Post 99, Seattle Eagles Arie No. 1 and Lake Hills Jaycees.
