Note: We have been officially invited to be a part of Seafair in Honolulu, Hawaii's "Aloha Days". Seafair has plans for advertising a solicitation campaign for the Cascades to raise money. To do this everyone will have to work hard the next 9 months to each solicit \$250.00. Parents will also have to set aside & save \$15.00 per month for the next 9 months. Think about this!! A sign up commitment will be required at end of January.
