The host corps, the Joaquín Caballeros, is one of California's finest units in the drum and bugle corps circuit. The corps record is filled with many first places, sweepstakes, and California state championships. Their present claim to fame is the title of the 1965 American Legion State Champions.

In late August, the Caballeros will represent California in the National Drum and Bugle Corps Contest to be held in Portland, Oregon. The Spanish theme denoted in their music and authentic Caballero uniforms will present an excellent representation of California tradition.

The corps at the present time is working hard to raise the necessary funds to finance their trip to Portland, Oregon. \$1.00 a mile will aid the Caballeros in this most ambitious endeavor of their history.

must be in perfect array. Any failure even of the slightest degree, means the loss of a tenth of a point for each unit infraction. The perfection of detail must be carried out to such a degree that any bad break of formation or any non conformity of even a pivot meets with disapproving check of the judge to the tune of a tenth of a point.

BUGLING 20 POINTS

Tone quality, musical accents, proper musical blend, tone and release are all qualities which a good Drum and Bugle Corps must effect. Failure to do so in any and each aspect means the loss of a tenth of a point. Musical contrast, diminuendo and crescendo, accelerando and retard are vital qualities of a good musical unit; each failure means the loss of a tenth of a point. Handling of equipment such as position of bugles while marching and playing, bring-

ing them up and down at the beginning and completion of a song lend to the good order of the unit. Each failure means a tenth of a point.

DRUMMING 15 POINTS

The Drum judge ascertains the proper angle of the drums, the exact position and height of the sticks. Each drum rudiment which corresponds to the musical note on the bugle, must be done to perfection. Attack, release, contrast, diminuendo, crescendo are all tonal requisits of a good drummer. Any time he errs in any one of these departments he loses a tenth of a point for his unit.

— HOW A CONTEST

The contest is an effort at perfection on the part of every Drum and Bugle Corps. The culmination of that effort brings out the best in each unit. It is the task of the judges to measure that effort and to mark its value in relation to perfection.

To assist the fans in making the competition more pleasurable and to get a better understanding of the various musical and military details in judging a contest, we wish to point out the scoring method used by the judges. All the Corps start off with 100 points, from which all their infractions and penalties are subtracted, the corps ending with the highest score is the winner.

MARCHING AND MANEUVERING 20 POINTS

Interval between men, distance between ranks, files not covered, dress of ranks squad, sections, platoons and Corps fronts

must be in perfect array. Any failure even of the slightest degree, means the loss of a tenth of a point for each unit infraction. The perfection of detail must be carried out to such a degree that any bad break of formation or any non conformity of even a pivot meets with disapproving check of the judge to the tune of a tenth of a point.

Any time he errs in any one of these departments he loses a tenth of a point for his unit.

GENERAL EFFECT SHOWMANSHIP

..... 45 POINTS

The General Effect judge ascertains the effect of the Corps on the audience, the smoothness of execution of the drill, the

general temper of the bugling and drumming, the action of the drum major and the Color Guard. Are the maneuvers simple or complex, are they set to the music, does the entire show have the harmony and blend it should have?

TIME

Each corps will be on the field from 11 to 13 minutes. Any corps who is on the field less than 11 minutes or more than 13 minutes will be penalized two full points for each minute or fraction thereof.

COLORS

Respect to the American Flag must be retained at all times, and be guarded by the Riflemen or the Color Guard Captain. The American Flag must be in front of or at the right of all other flags when in the same row. When the Colors (American Flag) pass by, the other flags will dip in respect.

COMPETING CORPS

Lakewood Ambassadors

Lakewood, California

Lakewood's youthful ambassadors of good will are making their second appearance in this contest. The Ambassadors are here to pay respect to their friends the Joaquin Caballeros, who also come to the Lakewood sponsored festival and contest.

Director: Rodney Stewart

Business Manager: Bill Francis

Hawks

Richmond, California

The Red and Black theme will be carried to Stockton by the famed Richmond Hawks. The corps is ranked among the top contenders in today's contest. The Hawk's stirring arrangements of "Magnificent Seven" and "Bambi" will be highlights of today's music spectacular.

Director: Eugene Sippel

Business Manager: Eugene Sippel

Cathay

San Francisco, California

Made up entirely of Chinese Teenagers, the Knights of Cathay are certainly a credit to the city of San Francisco. Their repertoire for '65 includes "More" and "Sweet Georgia Brown".

Director: Fay Lee

Business Manager: Roger Fong

Raley's Raiders

Sacramento, California

Although the Raiders have been experiencing many difficulties this season, they continue to present an entertaining and crowd-pleasing performance throughout Northern California.

Director: Tom McPoil

Business Manager: Tom McPoil

Capitolaires

Sacramento, California

The Capitolaires are a young and growing corps in the drum and bugle corps circuit. Watch them closely and experience the growth of a future champion.

Director: Bonny McAdams

Business Manager: Anthony Silva

Royalaires

San Leandro, California

Founded this year, the Royalaires will make their first appearance in a field contest. Their competitive spirit and driving ambition discounts all handicaps of their inexperience.

Director: Ray DiDonato

Business Manager: Ray DiDonato

Stkn. Police Commodores

Stockton, California

Formed only 14 months ago, the Commodores have made a great deal of progress toward becoming a championship corps. They will certainly step off the line with much determination and pride.

Director: Bob Smith

Business Manager: Eugene Castles

Senoritas

Los Angeles, California

The "Music In Motion" contest is proud to present for the first time in Stockton one of California's most outstanding drum and bugle corps, the Senoritas. This all-girl corps is well known for their resplendent display of pagentry throughout the West Coast.
