#### HAWKS OF OREGON

1969 is a fitting year for the Hawks to put on their show "Sound-Off", for it is the tenth anniversary of the founding of this Corps which was one of the first in the Northwest and from which other Corps in the Portland area benefitted. The experience gained by the instructors who started with the Hawks and some of the players went to firmly establish and help others such as the Royal Lancers, the Imperial Cadets and the Mustangs. It is these early Northwest Drum Corps "Pioneers" that make possible this show. The Hawks wish they could single out the many who have helped them and the drum corps here in the Portland area, but the list is too long and some may now be forgotten. The 1969 Hawks salute these individuals to whom they owe so much.

The Hawks, sponsored by the Department of Oregon, Veterans of Foreign Wars, welcome you to their show. The Corps is made up of 76 boys and girls who have worked long and hard to entertain you. We hope you like our show!

After this show the Hawks will complete the Northwest circuit and continue on to Anaheim, California to compete in the "KINGSMEN'S" "Festival of Music" and perform at Disneyland. From there they shall go to Santa Rosa, California to compete in "Best In The West".

Thank you for patronizing our show!

## Sunsetters Drum and Bugle Corps

Astoria, Oregon

The Sunsetters Drum and Bugle Corps was formed in late 1966 by a group of local citizens interested in drum-corpsing as a worth while hobby for the young people of this area. Although the Corps is unsponsored, it is backed by its parent organization, the Clatsop County Drum and Bugle Corps Association, Inc. There are 29 members in the Color Guard and 28 in the Drum Sections.

The Color Guard has competed in the Flamingo Ophi-ma, Sentinels' Brazen Brass, Lancers' Big Sound and the American Legion State competition. The full Corps has appeared in many parades throughout the county, the American Legion State Competition and the Shetocks' Music in Motion contest.

## Titans Drum and Bugle Corps

Bremerton, Washington

Truly the Northwest Cinderella Corps, the Titans were organized just prior to the 1969 season and went on to win the Northwest "C" championship that year. Moving up to the "B" ranks in 1970, this young organization took that championship.

This year the Titans feature a larger percussion section and horn line.

The Titans come from five high schools and five junior high schools in Kitsap County and its largest city, Bremerton.

The staff and the boosters are planning to take the Corps to California this August to participate in three contests while visiting the "Golden State." Sponsors include: American Legion Post No. 68, East Bremerton, The Fred Needham VFW Post No. 2669,

Port Orchard, Wash., The Telephone Pioneer Club, and the Bremerton Elks Lodge.

ROYAL LANCERS

The Royal Lancers Drum & Bugle Corps Inc. originated in September 1963 and was fully organized by January 1964, under the name "Royal Legion Lancers Drum & Bugle Corps". The corps was incorporated as a non-profit Oregon Educational Institution on June 29, 1967, under the name "Royal Lancers Drum & Bugle Corps Inc."

Since its inception, the corps has won four out of five yearly state competitions in Oregon and many other competitions in the Northwest. In August 1966, they traveled to New Westminster, B.C. where they won the Western Canadian International Championship in the "B" division which placed them into the "A" division of field competition. The move meant tougher competition, but the members were proud to make it into the most difficult division.

The Lancer's main goal is to compete with other corps throughout the Northwest, California and anywhere else in the Nation that funds will allow. They made their first California tour in 1968, where they traveled to learn more about music, marching technique, and to better their corps as a whole. The Lancers placed third in two contests on this tour: one in Anaheim and one in Stockton. This is a good record since it was the first time an Oregon corps has competed in that area where they have a different conception on G.E. and M. & M.

The Royal Lancers had a budget of approximately \$16,000 last year. This money goes for horns, uniforms, drums, flags, rifles, traveling expenses and the many other things that it takes to run a successful drum corps, to make a good representation for the people of Portland and Oregon.
