After the completion of a favorable, but not particularly satisfying, Northwest circuit season in 1969, the Shamrocks participated in the U.S. Open Contest in Marion, Ohio, and the VFW Nationals in Philadelphia, Pa. They emerged with their self respect and a pretty good idea of what it takes to compete with nationally rated corps. On June 27th, they participated in the Troopers Invitational in Casper, Wyoming with somewhat the same result and reaction. Perhaps they will put their lessons together by the time they journey to Portland, Oregon a little later this Fall to participate in the American Legion Nationals there.

ROYAL LANCERS

PORTLAND, OREGON

Beginning in 1964, and recognizing the value of discipline, this corps enjoyed immediate success by winning the American Legion State Championship the same year. It was the 1st of many. In 1969 the Royal Lancers reached a share of the summit when their successes earned them the title of "Co-Champions of the entire Northwest". They are seeking an undisputed title. The vista of success broadens the horizon, and the Lancers are looking. This year they will travel to the Mid-west with over 80 members. The experience will show next year.

Corps organization: Executive Director: Bruce Plumb. Business Manager: Jean McIntosh. Manager: Lin Dean. Instructors: Music Director, Sandy Plumb; Music Instructor, John Masocchi; Percussion Instructor, Roger Allen; Color Guard Instructor, Pat Coe; M & M Instructors, Mike Fehler & Ted Plumb. CASCADES

SEATTLE, WASHINGTON

Organized in June, 1966, this Seattle corps has improved steadily in all phases of competition. 1969 saw their very fine color guard emerge Northwest Champions, their parade appearance gained many first place awards, and their achievement of high rank in individual effort was outstanding. Their improvement continues in 1970.

The Cascades are sponsored by V.F.W. Fletcher Daniels, American Legion Post Star Sutherland, the Lake City Chamber of Commerce and Wilson Junior High School.

Leadership in the corps reveals Jack Avery - who laid the cornerstone of fine junior drum corps in the Seattle area - as Director; Rod Stubbs, Manager; Garth Stubbs, Drum Instructor; Curtis Carroll, Music Instructor; Jim Sleater, M & M Instructor, and Rod Stubbs, Color Guard Instructor.

Their accomplishments, everywhere, reflect the dedication, drive and desire any successful corps must possess.

SPARTANS

VANCOUVER, WASHINGTON

This unit was established in the City of Vancouver in January of 1970 for the purpose of providing the community a youth activity. The effort has been greatly encouraged by an expanding list of sponsors which includes the Vancouver Elks, Eagles, Jaycees and the American Legion Post No. 176. The Spartans were especially proud to become the official corps for the City of Vancouver. Membership in the Spartans now totals 55 with the girls slightly outnumbering the boys. Certainly the newest unit in the competition circuit, they are just beginning the long upward trek so many have pioneered before. We wish them well!

Staff: Corps Director, Bill Steiner. Business Manager, Bob Pauley. Drum Instructor, Steve Lawrence. Drill Instructor, Jim VanVlack. Color Guard Instructor, Kathleen Johnson. Drum Major, Mary Steiner.

We are proud to have the Spartans with us. We honor their leadership and community endeavor.

Formed in late 1966, this corps did not enter the competition circuit until 1969 where they have attained 1st places in the Novice Class in the Salem Opti-Rama, Seattle's Brazen Brass & Portland's Big Sound. In an extremely demanding competitive activity, these are the 1st long hard steps that must be made. The Sunsetters are on their way!

Representing Astoria and Clatsop County they picturesquely refer to as the "Sunset Empire", this drum and bugle corps is enthusiastically backed by a concerned Parents Group. It is characteristic of this activity to have this corps behind the corps. It is not trite to say that they also serve.

THUNDERBIRDS

LYNNWOOD, WASHINGTON

Virtually disbanded last year, the Thunderbirds Drum & Bugle Corps is in the process of completely rebuilding. Among other things, the corps is upgrading equipment for both the drum and bugle sections. Having moved from Seattle to Lynnwood, they are now enjoying the advantage of not only recruiting from north Seattle, they are attracting membership from south Everett as well. However, even with a rapidly expanding membership they are feeling keenly the lack of experience. The Thunderbirds' immediate goal is to attain Class A status. Hopefully, the "Open" classification won't be so difficult after that.

The Thunderbirds are sponsored by the Lake Washington Post No. 124, American Legion, Blackburn Post No. 3348, VFW, and VFW Post 1040 of Lynnwood.

TITANS

BREMERTON, WASHINGTON

If there exists a Cinderella story in Northwest Drum Corps, the Titans have authored it. Formed barely 18 months ago, this unit attained the Association's "C" Division Championship in 1969, and their trophy case is already full of 1st place awards for both parade and competition efforts. They have entered every 1970 circuit competition and registered for the coming American Legion Nationals this Fall in Portland, Oregon.

Sponsors for the organization are the American Legion Post No. 68, Bremerton; and VFW Post No. 2660, Fred Needham, in Port Orchard. They are backed, also, by a proud parents group.

Staff: Executive Director: Dave Rasmussen. Assistant Manager: Harry Dedoyard. Horn Instructor: Rod Cain and Mike Reagen. Drum Instructor: Lynn Davis. M & M Instructor: Don Potter. Drum Major: Charlene Davis. Color Guard Captain: Jeanne Rasmussen. Color Guard Co-Captain: Lori Dedoyard.
