Hawks Drum and Bugle Corps

Portland, Oregon

The "Hawks" Drum and Bugle Corps is again proud to compete in the Flamingo's Opti-Rama.

Last season the Hawks got off to a very slow start and did not reach their peak 'till August, when they, along with two other Northwest Corps from the Seattle area, made the American Legion National finals.

This season, the Corps will come off "Opti-Rama's" starting line 80 strong, ready and capable of beginning their winning ways in January rather than August. After "Opti-Rama," the Hawks will compete at all N.W.D.C.A. shows as well as sponsor and/or co-sponsor three shows of their own. In addition to their annual "Sound-Off" to be held July 4th, they shall co-sponsor with SERTOMA, a stage stand-still in Portland, February 27th.

To cap the season — plans are being made to participate at the V.F.W. and American Legion Nationals in Texas.

The Hawks are proud to be sponsored by the Department of Oregon, V.F.W., Smith-Reynolds American Legion Post No. 14, Vancouver, Wash., and the Hawks' Booster Club.

Rangers Drum and Bugle Corps

Pendleton, Oregon

The Rangers Junior Drum and Bugle Corps was formed in 1963 by a group of interested parents and citizens of the community. Financing has been through memberships, donations, competition awards, Corps member dues and projects. Members are recruited from such a large area we found our group represented not only the Round-Up City, Pendleton, Oregon, but just about every community in Umatilla County. With this in mind, the Corps name was recently changed to Rangers of Eastern Oregon. The Rangers are sponsored by their proud parents.

They have performed at public events and celebrations far too numerous to list in entirety. During 1970 they participated in almost every Drum and Bugle Corps competition in the Northwest area and at the American Legion Oregon State competitions the Rangers won more individual awards than any other corps.

We are looking forward to a successful 1971 season.

Sunsetters Drum and Bugle Corps

Astoria, Oregon

The Sunsetters Drum and Bugle Corps was formed in late 1966 by a group of local citizens interested in drum-corpsing as a worth while hobby for the young people of this area. Although the Corps is unsporned, it is backed by its parent organization, the Clatsop County Drum and Bugle Corps Association, Inc. There are 29 members in the Color Guard and 28 in the Drum Section.

The Color Guard has competed in the Flamingo Optorama, Seaside's Brazen Brass, Lancers' Big Sound and the American Legion State competition. The full Corps has appeared in many parades throughout the county, the American Legion State Competition and the Shantocks' Music in Motion contest.
