## *In Appreciation*

THE RANGERS of EASTERN OREGON wish to give thanks to all the business and professional people who have given generously to support this Youth Activity. All who have advertised or contributed, hopefully, will be rewarded by the performance of these youths tonight.

Please take note of the advertisements in this program. These are people who care about kids. Whenever possible, please patronize their businesses to let them know that you appreciate their support of the RANGERS JR. DRUM & BUGLE CORPS of EASTERN OREGON.

THE RANGERS would also like to thank the other corps for their efforts to make our ROUND-UP A-RAMA show a success. May you have a pleasant stay in Pendleton and a safe return trip home.

## *Rangers Drum and Bugle Corps*

Pendleton, Oregon

The "RANGERS" were organized in the fall of 1963 by the late Lee Allen and a group of interested parents and citizens of the community. The members now include residents of most of the areas of Umatilla County and hence the change of name to "The RANGERS of EASTERN OREGON" came about. These members probably travel more miles for rehearsals than any other corps in the Northwest.

The Rangers are an unsponsored corps. Their financing has been through candy sales, projects, dues, competition awards and donations with transportation to Competitions supplied by their parents. It is hoped some-time and some way in the future to obtain a bus so their transportation could be as a unit.

During 1970 they participated in almost every Drum & Bugle Corps Competition in the Northwest Area, and at the American Legion Oregon State Competition

at Coos Bay the Rangers won more individual awards than any other corps.

The Rangers opened the 1971 season in Salem in January with new music and new drills and intend to make every show in the Northwest this year. At the American Legion Oregon State Competition in Baker in June every Ranger that entered individual competition placed.

## Sunsetters Drum and Bugle Corps

Clatsop County, Astoria, Oregon

The Sunsetters of Astoria and Clatsop County were organized in late 1966. They have had a competing color guard since 1968 and have placed 3rd and 4th thus far during the two 1971 indoor competitions.

The Sunsetters did not enter full corps competition until 1969, and are the 1970 Northwest Drum Corps Association "C" Division champions. They have now begun competing in the "B" Division and hope to continue growing and improving during the years to come while representing Clatsop County.

Many corps members hold numerous medals for individual competition, and the corps has won many trophies for parades throughout the Northwest.

The Sunsetters are un-sponsored and rely solely on donations and fund raising activities by themselves and a hard working booster club. They participate in benefits and other community services in addition to their own

many appearances in parades and competitions throughout the Northwest.

## *Cascades Drum and Bugle Corps*

Seattle, Washington

The Cascades Drum and Bugle Corps was organized in June, 1966, by Rod Stubbs and Jack Avery. Since that time the corps has participated in parades and competitions throughout the Northwest. 1969 and 1970 were successful seasons in which the Cascades' parade record topped all the other corps in the area and resulted in their being named parade champions. The Color Guard was Northwest Champions for 1968 and 1969 and North Division Champions in 1970. The corps placed second in the American Legion State Competition in 1970 and third in the V.F.W. State contest. The Cascades were proud of winning first place honors in the P.N.E. parade in Vancouver, B.C. in 1968, 1969, and 1970. The corps traveled to Portland, Oregon, to climax the summer season with the Color Guard placing fifth in the American Legion National Convention competition. The corps members are looking forward to a bigger and better season in 1971.

Sponsors of the Cascades are Fletcher Daniels V.F.W., Star Sutherland Post American Legion, Lake City Chamber of Commerce and Wilson Junior High School.

## *Hawks Jr. Drum and Bugle Corps*

Portland, Oregon-Vancouver, Washington

The "Hawks" Drum and Bugle Corps is proud to compete in Pendleton's "Round-Up A-Rama" contest.

Last year, after a slow start, we reached our peak in August and along with two other Northwest Corps, qualified in the eliminations for the Finals of the American Legion National Champions.

This year, with over 50% new members, a new drill and almost all new music, we plan to field a strong 100 member corps which hopefully will jell into an even more competitive corps.

Tomorrow night we will compete in Pasco's Cavalcade of Drums. We plan to compete in all NWDCA contests this year, climaxed by a trip to Casper, Wyoming to compete with the Troopers and then to California for a tour of competition of that circuit.

We are proud to carry the colors of our sponsors:  
State of Oregon, V.F.W.

The drill is another Bruce Plumb original and presents the music in entertaining motion.

M & M—Bruce Plumb, Ed Berradino, Sherry Mumper, Pat Frank

Horns—John Maschiocci, Phyllis Butler

To you, Mr. White, and The People of Umatilla County we Dedicate this program.

It has been a dream of yours, Mr. White, and the members of the Rangers to present the people of Umatilla County what we have worked so hard at these past eight years. Altho many members of the corps have changed faces we know that they too will be with us tonight.

At the end of September when we start our new season may we hope to see that 30 member horn line and over 10 member drum line that we know are available with the talent in this county.

So from your Rangers Drum & Bugle Corps members in Athena, Hermiston, Adams, and Pendleton we hope that you have enjoyed our show and will be back with us at Round-Up A-Rama next year.
