## **SENTINELS DRUM AND BUGLE CORPS**

### **Seattle, Washington**

The Sentinels Drum and Bugle Corps was formed in 1966 by Duane C. Andrews and has grown to be one of the largest and most colorful drum and bugle corps in the Pacific Northwest. In addition to playing members the corps include an all-girl color guard and rifle squad, cape twirlers and majorettes. Their distinctive Spanish-style uniforms are unique in the Northwest.

The Sentinels are one of the most traveling Drum and Bugle Corps in the Northwest. Their travels have taken them to California, twice, for performances at Disneyland and Cal-Expo; to the East coast for participation in the World Open and VFW Nationals Drum and Bugle Corps Competition and the Heritage Day Parade in Salem, Massachusetts. Last year the Sentinels performed at the famous Calgary Stampede, participating in 3 parades and 4 grandstand performances before a total of well over 1 million spectators.

The Sentinels are the official Greater Seattle Drum and Bugle Corps. They are sponsored by Greater Seattle, Inc., Bellevue Kiwanis, Veterans of Foreign Wars Post 2995, Cascade American Legion Post 99, Seattle Eagles Arie No. 1 and Lake Hills Jaycees.
